Sunshine in Rain

Balligomingo

We were high
It's the sunshine in rain
I'm alive
It's the sushine in rain

Goodbye with no fear
The world is waiting for you
For me, your worth Is who I see

Design and know, feel.
You're out of here
You're shine,
It must have been the reason,
I was high

You're time moves the same
You're smile,
it must have been the reason

We were high
It's the sunshine in rain
I'm alive
and move today
Alive
Feel good today
I'm alive
It's the sunshine in rain.

You're out of here with no fear
The world is waiting for you
For me your worth Is who I see
It must have been the reason

Goodbye
I know dear
You're out of here
Your smile
It must have been the reason

We were high

It's the sunshine in rain
I'm alive
Feel good today
Alive
It's the sunshine and rain
I'm alive
It's the sunshine in rain

You're smile is
sunshine when you're standing near
You're a star

High
It's the sunshine and rain.
And I feel alive
and good today
I'm alive
It's the sunshine in rain

Alive
