

# Trick Me (E-Smoove)

Kelis

Wooo  
This is it yeah  
Wooo Said I've paid all my dues for what I've done  
And I showed you that I love you more than once  
There's nothing left there to decide  
Said you might trick me once  
I won't let you trick me twice  
Freedom to us has always been a trick  
Freedom to you has always been who ever landed on your dick  
Seen it in your one to many times  
Said you might trick me once  
I won't let you trick me twice no Might trick me once  
I won't let you trick me twice  
Might trick me once  
I won't let you trick me twice no  
Might trick me once  
I won't let you trick me twice  
No I won't let you trick me twice Those days are old and overdone  
And it's only cause I'm not with you that makes me number one  
Though I may love you  
I hurts me deep inside oh  
Now you no longer have to hide I used to be down with the late night hit  
Started gettin' heavy when I really wasn't ready  
Used my class to get in my mind  
So I fell for your lies like all the time  
I thought you were the shit to be playin' around  
Call the police there's a mad girl in town  
Couldn't get even here without a sound  
It's not how I want to get down yeah you Might trick me once  
I won't let you trick me twice  
Might trick me once  
I won't let you trick me twice no  
Might trick me once  
I won't let you trick me twice  
No I won't let you trick me twice  
No I won't let you trick me twice And I've paid all my dues for what I've done  
And I showed you that I love you more than once  
There's nothing left there to decide  
Ooh trick me I won't let your trick me twice

You might trick me once  
No I won't let me trick you twice no  
You might trick me once  
No I won't let me trick you twice

Woooo

Peace
