

First

Coal Chamber

If someone should ask you then say
That he fell away
From what he wanted at first
From what he wanted at first
From what he wantedIf someone should ask you then say
That they fell away
From what they wanted at first
From what they wanted at first
From what they wantedAs he fell away, as she fell away
As he fell away, as she fell away
As he fell away, as she fell away
He won't come out and play music anymoreIf someone should ask you then say
That she fell away
From what she wanted at first
From what she wanted at first
From what she wantedIf someone should ask you then say
That they fell away
From what they wanted at first
From what they wanted at first
From what they wantedAs he fell away, as she fell away
As he fell away, as she fell away
As he fell away, as she fell away
As he fell away, as she fell away
As he fell awayTry, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, I tried I couldn't kick itIf someone should ask you then say
He sleeps all day
That he feels he's gone, son
And always will be betrayedBetrayed
Betrayed
Betrayed
BetrayedAs he fell away, as she fell away
As he fell away, as she fell away
As he fell away, as she fell awayTry, tried I couldn't kick it, no
Try, tried I couldn't kick it, no

Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, noTry, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kickAs she
As she
As she
