God Girl

Jamie Grace

Oh oh oh oh yeah
If my eyes light up with I say your name
And it's written all over my face
Tell me does it make me crazy
Well, maybe I got somethin' that I can't explain
And the beauty of it never changes
It's got me wrapped up
I'm all caught up
I can't help but say

I'm a God girl that's who I'll be
From the top of my head to the soles of my feet
No I can't deny it wouldn't even try
I'm your girl in a crazy world
I'm a God girl that's who I'll be
From the top of my head to the soles of my feet
I can't deny it wouldn't even try
I'm your girl for the whole wide world to see
(See, See, See)

And when my ears start hearin' what people say
Hurry up find love cause times tickin' away
Well, I'm not bein' lazy I'm just waiting for
Still waiting for the right boy
'Cause I only want to listen to your voice
So I'll be listenin
Always listenin to you everyday

'Cause I'm a God girl that's who I'll be
From the top of my head to the soles of my feet
No I can't deny it wouldn't even try
I'm your girl in a crazy world
I'm a God girl that's who I'll be
From the top of my head to the soles of my feet
I can't deny it wouldn't even try
I'm your girl for the whole wide world to see

Your name in lights
My biggest dream
My all in all

You're all I need
Hand in hand with the master of all creativity
And I won't stop until I know
All my facebook friends and foes
Look at me and only see one thing

I'm a God girl that's who I'll be
From the top of my head to the soles of my feet
I can't deny it wouldn't even try
I'm your girl in a crazy world
God girl that's who I'll be
From the top of my head to the soles of my feet
No I can't deny it wouldn't even try
I'm yours

Oh I'm a love girl and I'll always be
From the top of my head to the soles of my feet
I can't deny it wouldn't even try
I'm your girl for the whole wide world to see

(Your name in lights)
(Can't change it)
(Can't fake it)
(Can't break it)

(You can't change, can't fake, can't break)
(I'm your girl)

Oh oh oh oh yeah
For the whole wide world
The whole wide world to see
