I'll go get the camera we can make a movie, I'ma put my hands up lay back while u do me, jump rigt out the shower into the jacuzzi, giving u what ur body wants, I'm boyfriend number 2, kuz the first he don't really seem like he know what to do, I'm boyfriend number 2, and I know u like it freaky so I'm gonna give it to u, I'm boyfriend number 2,

if we don't fuss don't fight don't argue, and second place always got a whole lot to prove, so whenever u get in the mood, (just call) boyfriend number 2, grab my hand, I'ma pick u up and put u on the counter, girl u feel so sexy, I'm not ur other man, I'm a take my time and kiss all around ya, only if u let me,

I'll go get the camera we can make a movie, I'ma put my hands up lay back while u do me, jump rigt out the shower into the jacuzzi, giving u what ur body wants, I'm boyfriend number 2, kuz the first he don't really seem like he know what to do, I'm boyfriend number 2, and I know u like it freaky so I'm gonna give it to u, I'm boyfriend number 2,

if we don't fuss don't fight don't argue, and second place always got a whole lot to prove, so whenever u get in the mood, (just call) boyfriend number 2, ladies if u got a man and a buddy on the side say yeah, say yeah yeahyeahhhhh, if u be making plans kuz he don't hit it right say yeahhhhh yeahhyeahhh, I got a couple places I'm sure he don't know about, no familiar faces u could feel free to go out, I'm not afraid of doing what he doesn't do, I'm boyfriend number 2, I'm boyfriend number 2, I'm boyfriend number 2, if we don't fuss don't fight don't argue, prove so whenever u get in the mood, (just call me) I'm boyfriend number 2, kuz the first he don't really seem like he know what to do, I'm boyfriend number 2, and I know u like it freaky so I'm gonna give it to u, I'm boyfriend number 2, if we don't fuss don't fight don't argue, and second place always got a whole lot to prove, I got something to prove right now, boyfriend number 2
