Forget Me Not

Celine Dion

Baby, baby, as I rock you gently
Right here in my arms
I promise to always be here for you
Keep you safe and warmSometimes in the middle of the night
I wake up cryin' when I think of how long
It took to find you
And now that I have I won't be movin' onNothing can ever separate us
We know where we belong
All I'm asking you, all I'm asking
Before this moment's goneForget me not
Don't forget what we got
Every day is surely but a dream
I found the sweetest of all thingsFor all my life you'll be my light
With every beat that's in your heart
Oh baby, please remember to
Forget me notTime is funny, time can fly
That's one thing for sure
I'll wake tomorrow, blink my eyes
See you standin' at that doorAnd I'll be lookin' at you
See the wonder of what love can be
Someday I might have to let you go
And that's just so hard to believeAnd if I do you'll know just
How much you mean to me
All I'll ask of you, all I'll ask you
Before I set you freeForget me not
Don't forget what we got
Every day is surely but a dream
I found the sweetest of all thingsFor all my life, you'll be my light
With every beat that's in your heart
Oh baby, please remember to
Forget me notForget me not
Forget me not
Oh, don't forget me baby, yeah
Before I set you free, yeahForget me not
Don't forget what we got
Every day is surely but a dream
I found the sweetest of all thingsForever more, I'll thee adore
With every beat that's in your heart
Oh baby, please remember to

Forget me notDon't forget what we got
With every beat that's in your heart
Oh baby, please remember toRemember it's in your heart
Remember it's in your heart
Forget me not
