

# Drown

Melanie C

Don't miss you  
When I'm alone  
Don't see your face in places  
We used to go  
O-oh

Thought that I would feel nothing  
If I ever saw you standing  
In front of me

Don't know why I feel the shiver  
Thought that we had frozen over  
Now it's burning me  
And it's hard to breathe

-

(Chorus)

There must've been a crack in the ice  
But I can't remember  
When I fell through

I don't know why we didn't survive  
'Cos we held on tight  
Feelings I'd forgotten  
Buried deep under water  
Pull me do-ow-ow-ow-ow-ow-ow-own

I thought that I could kill it but  
This love won't dro-ow-ow-ow-ow-ow-ow-own

-

When I hear  
Our favourite song  
Don't reminisce  
Just close my eyes and sing along  
O-oh

You were lost and I was drifting  
Thought that I could let the feeling

Wash over me

Try to keep it all together  
But my heart is beating faster  
I can't believe  
You still get to me

(Chorus)

Go on dro-ow-ow-ow-own(?)  
If I just dive in  
If I just dive in  
Will I dro-ow-ow-own

If I just dive in  
If I just dive in  
Will I dro-ow-ow-ow-ow-ow-owww-own

(Chorus)

Feelings pulling me  
I wanna dro-ow-ow-ow-own
