Islands

Migos, Ty Dolla Sign & Rich Kid

Yo, nice to meet you
AdiosWe taking trips, on the islands
My bitch bad, she from the islands
Where the plug? He on the islands
No Gilligan, I'm on the islands
Splash, drip, islands
Water, islands
Splash, drip drip, lots of islands
Living on the islands
On the islands cooling like Gullah Gullah
I'm independent I ain't trying to sign to Warner Brothers
We'll take ten mil' for a Label deal
And I don't want the PT if it ain't Double Seal
Life is a gamble game, wrist still a hurricane
In a Audi getting brain, swerving in the other lane
They wanna fuck with me cause I'm a millionaire
Spectacular, the choppas in the back and in the Frigidaire
You don't even wanna bust a move, come on my fleet
Got them on stand-by on snooze, stand-by my fleet?
I just pushed the button and you lose, you lose my fleet?
POW!
We taking trips, on the islands
My bitch bad, she from the islands
Where the plug? He on the islands
No Gilligan, I'm on the islands
Splash, drip, islands
Water, islands
Splash, drip drip, lots of islands
Living on the islandsI got dreads like I'm from the islands
Smokin' weed like I'm from the islands
I just met a bad light-skinned bitch on Highland
I'ma get some brand new pussy tonight
Dolla Sign and Migos we the trendsetters
Pushaz Ink the label we the trendsetters
That's yo' bitch, on God, she was just with us
That's yo' bitch, tonight, nigga don't kiss her
Rum and coke, she drink piÃ±a colada
I only smoke kush, these niggas still on the chronic
Met a red bone, in bikini bottoms

Look just like Rihanna, say she from the islandsWe taking trips, on the islands
My bitch bad, she from the islands
Where the plug? He on the islands
No Gilligan, I'm on the islands
Splash, drip, islands
Water, islands
Splash, drip drip, lots of islands
Living on the islandsMy bitch from the islands I covered her in diamonds
The haters can't stop me from shinin'
Don't play with me nigga, Machete will hit you
Young nigga you know that I'm Haitian
I had to stay down while we trappin' the vacant
Mama she said we would make it
Feels good to be rich
Got a jet, take a trip
Fuck nigga we made it!
The plug on the islands, no Gilligan
I pull out my wallet, finessin' him
I be with the migos, no Mexican
I'm a young rich nigga
I'm buying whatever no matter the cost
Yo' boyfriend about to come fuck with a boss
I ride in a Maybach, no RossWelcome to my island
Lions, bears, and tigers
Selling babies, cooking toddlers
Bad bitches givin' knowledge
Welcome to my land
Molly santan' kickstand
Choppas on deck like Iran
Whippin' and flippin' them candy yams
On the islands, no Gilligan
You niggas are sweeter than Cinnamon
I run to the money with energy
My loafers are 'gator amphibians
Rocca been trappin' for centuries
How the hell you don't know Benjamin?
You run up on me it's a penalty
His pack went missin', a mysteryWe taking trips, on the islands
My bitch bad, she from the islands
Where the plug? He on the islands
No Gilligan, I'm on the islands
Splash, drip, islands
Water, islands
Splash, drip drip, lots of islands
Living on the islands
