

# Insane Killas

## Vanilla Ice

Shaggy 2 Dope--

Violent J, Shaggy, Insane Clown Posse, baby what  
from New York to L.A.

from Chile to Greece

from New Ghandi to your momma

we gives absolutly no fucks

Motha fucka

natural born serial murderers

mass mothafuckin murderin muderers

bitch, come and meet your maker

Violent J--

Im scary like Michael Jaskson up close

I like diggin up dead bodies

look at me Im gross

my name's Violent J but you can call me syphillis

gonorrhoea the clap cause i infected this rap

you wanna know if i could ever kill somebody

well thats like askin Charlie Manson if he's ever been in jail

I kill family, friends, myself

what, yeah, I'd kill myself if I could only survive

I tried to kill Rob Van Winkle, in fact thats how we met

I went up to kill him and he was thinkin the same shit

I pulled out a chainsaw, he pulled out and ax

I was like come-on, wait is that a Stanley, where'd u get that

it's natural and to murder, you gotta have it in you

it's like a dick all up in you, although I wouldn't now

look at us natural killas

the world most playa hated rapper

and the most hated group together like woooo!

Chorus--

mass murders

natural born killas

im not fuckin around

icky icky ya ya

icky icky ya ya

mass murders

natural born killas

im not fuckin around

icky icky ya ya

icky icky ya ya  
Ice--  
This aint no blair witch  
beware bitch  
Ill pick ur motherfuckin brain with an icepick  
remember me  
the V I C E  
well heres my trilogy  
Im outta captivity  
rap cujo ya know my flow is ferocious  
last survivor with a mouth full of cockroaches  
I bring this hocus pocus  
you're flying away  
like the last days of the motherfuckin loafers  
I'm the redneck in the moshpit  
2 axes come in handy  
to answer Violent J, ya damn right its a stanley  
in the shadows of the dark with darkman like spawn  
in the dash blazin it up with explosive bombs  
I spit homicides like major cities at 11PM  
while zipping bodies in the dungeon like the line at GM  
ice mixed with blood is the killers milkshake  
here with the clowns from the underground it's a lyrical deathbreak

Chorus--

mass murders  
natural born killas  
im not fuckin around  
icky icky ya ya  
icky icky ya ya  
mass murders  
natural born killas  
im not fuckin around  
icky icky ya ya  
icky icky ya ya

Darkman--

Disrespect me I'll run in your house  
like puffin steam stout  
break both your arms, gun in your mouth  
knock your teeth out with the nose of the fifth  
bullets bust through the back of your head ya die swift  
fuckin wit tha clan, watch what you say  
we kill niggas like the KKK  
shoot you with an SK or a AK bitch you gonna die either way  
I'm a monster thoroughbred gun holding weed-head  
cross me bet tomorrow you'll be dead

catch you at a show while you're chilling with your ho  
and crack your skull with a bottle of Mo  
I'm a Sing-Sing killer  
gun groove captain  
brooklyn home of the original gun clapping  
gats get brung, niggas get done  
sons lose fathers and mothers lose sons

I'm a killer

Chorus--

mass murders  
natural born killas  
im not fuckin around  
icky icky ya ya  
icky icky ya ya  
mass murders  
natural born killas  
im not fuckin around  
icky icky ya ya  
icky icky ya ya

(Screams)

OVERDUB: To die is a fate that must come to us all  
But how horrible to be buried alive  
from the darkness they shuffle eyes glazed with death  
hands clawing for blood!

Chorus--

mass murders  
natural born killas  
im not fuckin around  
icky icky ya ya  
icky icky ya ya  
mass murders  
natural born killas  
im not fuckin around  
icky icky ya ya  
icky icky ya ya
