So Nice (Summer Samba)

Lounge CafÃ©

Someone to hold me tight
That would be very nice
Someone to love me right
That would be very niceSomeone to understand
Each little dream in me
Someone to take my hand
To be a team with meSo nice, life will be so nice
If one day I'd find
Someone who would take my hand
And samba through life with meSomeone to cling to me
Stay with me right or wrong
Someone to sing to me
Some little samba songSomeone to take my heart
And give his heart to me
Someone who's ready to
Give love a start with meOh, yes
That will be so nice
I could see you and me
That would be niceSomeone to hold me tight
That would be very nice
Someone to love me right
That would be very niceSomeone to understand
Each little dream in me
Someone to take my hand
To be a team with meSo nice, life will be so nice
If one day I'd find
Someone who would take my hand
And samba through life with meSomeone to cling to me
Stay with me right or wrong
Someone to sing to me
Some little samba songSomeone to take my heart
And give his heart to me
Someone who's ready to
Give love a start with meOh, yes
That will be so nice
Should it be you and me
I could see that would be nice
