# Everyday's A Weekend

## Die Happy

Everyday is a weekend
Think of all the money
We intend to waste and burn and overspend
I want to spend it with you
Hoping you feel the same way tooMonday we stay in bed
Tuesday we rob the bank instead
Wednesday we're contemplating
You and I escapingThursday we make the headlines
They want us by Friday alive or dead
Everyday is a weekend in my headDon't set yourself no limits
Cause it won't work
If your heart's not in it
Enjoy yourself
Think clearly
I want to clear it with you
Hoping you feel the same way too
