

Can't Go Back

Little Big Town

Some things you can't go back to
Some things we left alone
Don't mess with the memories of a life pass'd on
Oh tumble in reservations at the heart of my mistakes
Oh some things you can't go back to cus you let them slip away
Oooh Ooh Oooh Ooooh Oooh Ooooh Oooohh Oooh Oooh Oooh Oooh Oooh
I dont want to be a witness to a path that's overgrown
I dont want to see this house not be a home

Cus time has taken toll on what we couldn't see
No i dont want to be a witness to the end of you and me.
Oooh Ooh Oooh Ooooh Oooh Ooooh Oooohh Oooh Oooh Oooh Oooh Oooh
How am I gonna make each moment better than the last
How am I gonna make it better if i cant go back
Oooh Ooh Oooh Ooooh Oooh Ooooh Oooohh Oooh Oooh Oooh Oooh Oooh
Oh I tumble in reservations at the heart of my mistakes
Oh some things you cant go back to cus you let them slip away
