Dream

Violet Sunset

Like a asleep mountain,
keeping all inside of me,
so afraid to show the world
who I really am,
I just need a push
and all of my ideas will come out.

In my way I see the sign,
itâ€™s the reason of my life,
weâ€™re been searching for the sky forever.

I need something that makes
my soul feel alive again,
something that gives me the strength,
wake up and take a deep breath,
this is my moment, the time is running,
this is the dream Iâ€™ll never forget.

But Iâ€™ve opened my eyes
and I realized that
I have this great desire
that is stronger than pain
and this passion, stronger than life.

In my way I see the sign,
itâ€™s the reason of my life,
weâ€™re been searching for the sky forever.

I need something that makes
my soul feel alive again,
something that gives me the strength,
wake up and take a deep breath,
this is my moment, the time is running,
this is the dream Iâ€™ll never forget.

Fears and doubts tried not to let me move on,
and after having fallen many times,
confused and disappointed I was about to give up,
confused and disappointed I was about to give up.

Donâ€™t try to break me down,
donâ€™t try to break me down.
But now our destiny is clear and I can see the light,
donâ€™t try to break me down,
donâ€™t try to break me down.

I need something that makes
my soul feel alive again,
something that gives me the strength,
wake up and take a deep breath,
this is my moment , the time is running,
this is the dream Iâ€™ll never forget.

I need somethingâ€¦
