Shake and Pop

Green Velvet

[Verse 1]
On the dancefloor
I feel the bass more
My body starts to jet
Like back in '84
All eyes are on me
Crowds are for me
The DJ plays the break
That's when I elevate[Refrain]
shake and pop
shake and pop
shake and pop
shake and pop
shake shake and pop
shake and pop
shake shake and pop
shake and pop[Verse 2]
Haters step to me
But they don't phase me
Hey Mr. DJ let the beat play
Turn up the stereo
Up some mo'
So I can flex what I got
On the danceflo'[Refrain] (2x)[Bridge]
I like electro
I like retro
I like ghetto
House and techno
(4x)[Refrain] (2x)Turn up the stereo
Up some mo' up some mo'
Up some mo' up some mo'
Up some mo' up some mo'
up some mo'shake, shake, shake, shake
