

All Aboard

Jarell Perry

You packed up all your things in this carry case
A life for you and for me
It's more than I can say
What makes you so sure? You don't want this anymore
Like it's not worth it
I wish you would go with me
But it's clear that you don't have the time
To share my destiny()
Stuck on this train
Going one way
And I won't go back
Don't beg me to stay another day
It's something I can't handle
sponsored links
I never dreamed of leaving you on the platform
It's all aboard, all aboard()
I gave you all that I had
To throw it all away
Now there's no looking back
And there's no use tryna save it
When you made it sell short You don't want this anymore
Like it's not worth it
I wish you would go with me
Why won't you go with me?
Can't you see that I'm...
