

Oildale [Leave Me Alone]

Korn

Look at you
Feeling all good
You can't resist
Have to be all
Up in it
Don't it feel great?
Talking shit
I let it go

((Chorus))

Why don't you just leave me alone?
My hearts gunna break from the fall
Holding on to pety things
Feeling all the hate it brings
Why don't you just leave me alone?

All the puss
Think your so tough
Take the shit
All I had was
Love in me
It was so good
But that wasn't enough
You ripped that away

((Chorus))

Why don't you just leave me alone?
My hearts gunna break from the fall
Holding on to pety things
Feeling all the hate it brings
Why don't you just leave me alone?

All the disrespect
All of it in regret
All the bullshit, you've done for me
You're such a peice of shit
Nothin' but a hippocrit
Talking about how "of me"

How can you talk without me?

((Chorus))

Why don't you just leave me alone?

My hearts gunna break from the fall

Holding on to petty things

Feeling all the hate it brings

Why don't you just leave me alone?

Leave me alone

Leave me alone

Leave me alone

Leave me the fuck alone
