

HEY BROTHER (MANUEL BACCANO BOOTLEG)

[Avicii](#)

Hey brother! There's an endless road to rediscover
Hey sister! Know the water's sweet but blood is thicker
Oh, if the sky comes falling down, for you
There's nothing in this world I wouldn't doHey brother! Do you still believe in one another?
Hey sister! Do you still believe in love? I wonder
Oh, if the sky comes falling down, for you
There's nothing in this world I wouldn't doWhat if I'm far from home?
Oh brother, I will hear you call!
What if I lose it all?
Oh sister, I will help you hang on!
Oh, if the sky comes falling down, for you
There's nothing in this world I wouldn't doHey brother! There's an endless road to rediscover
Hey sister! Do you still believe in love? I wonder
Oh, if the sky comes falling down, for you
There's nothing in this world I wouldn't do
