

# On the Other Hand

**Keith Whitley**

On one hand I count the reasons I could stay with you  
And hold you close to me, all night long  
There are so many loving things I would love to say to you  
And on that hand I see no reason why it's wrongBut on the other hand, there's a golden band  
To remind of someone who couldn't understand  
On one hand I could stay and be your lover man  
But the reason I must go is on the other handIn your arms I feel the passion, I thought had died  
When I looked into your eyes I found myself  
When I first kissed your lips I felt so alive  
I've got to hand it to you girl, you're something elseBut on the other hand, there's a golden band  
To remind of someone who couldn't understand  
On one hand I could stay and be your lover man  
But the reason I must go is on the other hand  
Yes, the reason I must go is on the other hand
