King Of Pain(Live In Italy July 1993)

Sting

There's a little black spot on the sun today
It's the same old thing as yesterday
There's a black hat caught in a high tree top
There's a flag-pole rag and the wind won't stopI have stood here before inside the pouring rain
With the world turning circles running 'round my brain
I guess I'm always hoping that you'll end this reign
But it's my destiny to be the king of pain
There's a little black spot on the sun today
That's my soul up there
It's the same old thing as yesterday
That's my soul up there
There's a black hat caught in a high tree top
That's my soul up there
There's a flag-pole rag and the wind won't stop
That's my soul up there
I have stood here before inside the pouring rain
With the world turning circles running 'round my brain
I guess I'm always hoping that you'll end this reign
But it's my destiny to be the king of pain
There's a fossil that's trapped in a high cliff wall
That's my soul up there
There's a dead salmon frozen in a waterfall
That's my soul up there
There's a blue whale beached by a springtime's ebb
That's my soul up there
There's a butterfly trapped in a spider's web
That's my soul up there
I have stood here before inside the pouring rain
With the world turning circles running 'round my brain
I guess I'm always hoping that you'll end this reign
But it's my destiny to be the king of pain
There's a king on a throne with his eyes torn out
There's a blind man looking for a shadow of doubt
There's a rich man sleeping on a golden bed
There's a skeleton choking on a crust of bread
King of painThere's a red fox torn by a huntsman's pack
That's my soul up there
There's a black-winged gull with a broken back
That's my soul up there

There's a little black spot on the sun today
It's the same old thing as yesterdayI have stood here before in the pouring rain
With the world turning circles running 'round my brain
I guess I always thought you could end this reign
But it's my destiny to be the king of pain
King of pain
King of pain
King of pain
I'll always be king of pain
