

Distinct Complicity

Bikini Kill

determined by many
determined by many
determined by many
determined by many

chorus 1:

determined by many separations,
so controlling and understated,
determined today by those of us
who refuse to conquer hesitation
I don't see anything else in this
room, I don't think so

uh oh, oh-oh

you're already 22

don't waste your life in school
you could go back anytime
and I wanna see you on tour

chorus 2:

determined by many situations,
seemingly random considerations
determined tonite by those of
you who decide to do more than
just sit on the floor

I don't see anything else in this room

I don't see you, no not at all

I'm walking down the street

I'm skating to the show

I wanna see your band play
but there's no one here I know

chorus 3:

determined by many separations
so controlling and understated
determined today by those of us
who refuse to conquer hesitation
I don't see anything else in this room
to prove me wrong.
