

# Train From Kansas City

Neko Case

Baby, baby, please believe me  
I would never never do anything to hurt you  
Baby, baby, please believe me  
I would never never do anything to you to make you blue  
But yesterday I got this letter  
From the boy I loved before I ever knew you  
Before I even knew you And the train from Kansas city is coming into town.  
The train from Kansas city is a-coming  
And there's nothing I can do can make it turn around. Baby, baby, please believe me  
Nothing in this world would tear us apart  
We'll never, never part  
So wait right here and I will hurry  
I'll be back in the time it takes to break a heart  
I gotta break his heart 'Cause the train from Kansas city is coming into town  
The train from Kansas city is a-coming  
And there's nothing I can do can make it turn around No, I never answered his letter  
I just couldn't tell him that way  
No, I never answered his letter  
I just didn't know what to say  
Now I'm going down to the station  
I'll be there at ten after two  
I'll show him the ring on my finger  
I don't what else I can do The train from Kansas city is coming into town  
The train from Kansas city is a-coming  
And there's nothing I can do can make it turn around Here comes the train
