

Teach My Hands to War

Marvin Sapp

Verse 1

People of God, the kingdom is nigh
And there is a cause, to stand up and fight
He's given the charge, there's no way we'd lose
If you didn't know it, we've got some good news

Is he gonna do it (Yes)
Who's he gonna use (Me)
Am I gonna win (Yes)
And how's he gonna do it (He'll use my hands, oh)
Is he gonna do it (Yes)
Who's he gonna use (Me)
Am I gonna win (Yes)
And how's he gonna do it (He'll use my hands)

Teach my hands to war
Cuz praise is a weapon, praise is a weapon
I'll clap, I'll wave, In everything I'll praise
Teach my hands to war
Cuz praise is my weapon, praise is my weapon
He promised victory, when we praise
So clap yo hands, clap yo hands, clap 'em
Clap yo hands, clap yo hands, clap 'em.

Verse 2

It's been determined
We overcome by the blood of the one
He's the lamb that was slain
And he never fought back
Cuz he knew that in 3 days
It was gonna turn around in our favor
So we're giving praise to our savior
He gave us the key to victory
And it's in our praise

Chorus

Special

The weapons of our warfare are mighty, mighty through God
We don't fight against flesh and blood

But principalities, powers mighty through God
We're not ignorant of his devices
Spiritual wickedness in high places
Come down, come down with our praise
(Repeat)

Chorus
