

# Summer song

## KateOrange

It's a cool break, you know I can't wait  
Everyday's like a Sunday and we're hearing the radio playing  
    Take the long way  
    Under the sun to our cool summer song  
        Sun is rising and the day is here  
    We'll celebrate so don't be late, the time is near  
    Grab your friends and like a rocket we're there  
        To where the party charges up every year  
        Where we laugh forever  
    Taste the perfect weather, everyone together  
    Pack your bags for the memories we make  
        So let's jet out today  
    It's a cool break, you know I can't wait  
Everyday's like a Sunday and we're hearing the radio playing  
    Take the long way  
    Under the sun to our cool summer song  
        Cruising underneath a cloudless sky  
    When we feel the sand, we know we've arrived  
        Everyday and every wave's a sweet ride  
    We will take out time until the tide says goodbye  
        We will all remember  
These days are just like heaven in our minds we fly there  
    Pack your bags for the memories we make  
        So let's jet out today

It's a cool break, you know I can't wait  
Everyday's like a Sunday and we're hearing the radio playing  
    Take the long way  
    Under the sun to our cool summer song  
        Cool summer song  
        Good times we love  
        Like heaven forever  
        The purest perfection  
    It's a cool break, you know I can't wait  
    It's a cool break, we're hearing the radio playing  
        It's a cool break, I can't wait  
        Take the long way to our cool summer song  
        It's a cool break, you know I can't wait  
Everyday's like a Sunday and we're hearing the radio playing

Take the long way  
Under the sun to our cool summer song  
It's a cool break, you know I can't wait  
Everyday's like a Sunday and we're hearing the radio playing  
Take the long way  
Under the sun to our cool summer song  
It's a cool break, it's a cool break
