

That Girl (DJ Steelo Remix)

Marques Houston

[illegible]

Baby look I'm tired of trying
To convince you that I ain't caught up lying
When she walk pass me
I look so what? big deal
I don't understand

How that can make you feel that my love ain't for real

[illegible]

1.

Everyday I thank the lord above that your with me (your with me)
Tell me why would I throw that away (why would I throw that away)
What can I do to prove that this is where I want to be (yea)

So I may look occasionally
Your the only one I need*chorus

If I wanted,

That girl

Then I would be with,

That girl

But that one ain't for me

She's fine as hell but she'll always be,

That girl

Nothing more then that gurl

No matter what she do she don't compare to you
What you yellin' for
(why you screamin')

Girl you acting as if you juss caught me cheatin'

When you look at other men

And don't act like you dunt

I don't trip because I know I'm the guy you come to every night*repeat 1

*chorusI know I need you right here with me

Oh I know I need you

No other girl will do

Cause I need you right here with me

Oh I need you

Whoaaa*chorus2xIf I wanted

That girl

I would be with

That girl

But that one ain't for me

She's fine ass hell but she'll always be

That gurl
Nothing more then
That gurl
No matter what she do
She just can't be you baby
