

# **Labor to Life**

## **Mimes On Rollercoasters**

Living, dreaming, touching, feeling,  
Being, floating, needing, loving,

A spirit deep inside, another precious life,  
Waiting for a chance, a chance to breath the air.

Trusting, caring, planning, sharing,  
Hoping, wanting, waiting, longing,

Carrying his child, safe and warm inside.  
Giving her precious gift. Giving the gift of life.
