

Crazy Possessive (Radio Edit)

Kaci Battaglia

I think I'm crazy
I think I'm going out of my mind
Call me crazy
I thought I saw you touching my guy
Are you crazy?
Maybe I should take you outside
And show you crazy
Ohhh I got your crazy A little hazy
Maybe I'm just losing my mind
I think your shady
I know that you've been calling my guy
Are you crazy?
Now I'm gonna take you outside
And show you crazy
Ohhh I got your crazy Call my man again and ill muck you up, and ill muck you up, and ill muck you up
Touch my man again and I'll muck you up, and ill muck you up
And then you call me your best friend, and then you call me your best friend Call me crazy
Everytime that I turn around
You're on my baby
Ohhh but I'm his lady
Am I possessive?
Just because I'm claiming what's mine
Your crossing the line Why are you constantly calling him up
To pick you up
Let me know now
How can you call me your best friend
Then turn around and secretly text him
You call me crazy
Ohhh I got your crazy Call my man again and ill muck you up, and ill muck you up, and ill muck you up
Touch my man again and ill muck you up, and ill muck you up Call my man again and ill muck you up, and ill
muck you up, and ill muck you up
Touch my man again and ill muck you up, and ill muck you up
And then you call me your best friend, and then you call me your best friend They call me crazy
They say I'm crazy
They call me crazy
I think I'm crazy
Ohhh I got your crazy Call my man again and ill muck you up, and ill muck you up, and ill muck you up
Touch my man again and I'll muck you up, and ill muck you up
Ohhh I got your crazy Call my man again and ill muck you up, and ill muck you up, and ill muck you up

Touch my man again and I'll muck you up, and ill muck you up
Ohhh I got your crazyCall my man again and I'll muck you up, and I'll muck you up
Touch my man again and I'll muck you up, and I'll muck you up, and I'll muck you upAnd then you call me
your best friend, and then you call me your best friend.
Oh, I'm crazy.
