

# Do What You Do

Katharine McPhee

Ah, this is sick, ah, ah, ah You need to come step up your game  
And stand up on the world contemplating  
Show me that you feel the words that I'm singing  
Put your hands on me just like a man 'Cause all the boys in the club wantin' me  
And all the girls in there tryin' be like me  
It's the game that we're playin' and I want to see  
If you don't give me what I need I can feel the rush all over me whenever I'm next to you  
I can feel it burnin' up inside of me and I don't know what to do  
So don't stop get it, get it  
'Cause you know I'm waiting for you, do what you do I know you know that I need some touchin'  
Let's go baby 'cause I need some lovin'  
God I can't wait no more, I'm lusting  
You're a big boy why can't we rush it 'Cause all the boys in the club wantin' me  
And all the girls in there tryin' be like me  
It's the game that we're playin' and I want to see  
If you don't give me what I need I can feel the rush all over me whenever I'm next to you  
I can feel it burnin' up inside of me and I don't know what to do  
So don't stop get it, get it  
'Cause you know I'm waiting for you, do what you do 'Cause all the boys in the club wantin' me  
(All the boys, all, all, all the boys)  
And all the girls in there tryin' be like me  
(All the girls, all, all, all the girls) 'Cause all the boys in the club wantin' me  
(All the boys, all, all, all the boys)  
And all the girls in there tryin' be like me  
(All the girls, all, all, all the girls) I'm losing patience, can't wait for nothing, no  
Please stop the talkin' 'cause my body's callin'  
Turn away then, anticipating you  
So, so baby come to me I can feel the rush all over me whenever I'm next to you  
I can feel it burnin' up inside of me and I don't know what to do  
So don't stop get it, get it  
'Cause you know I'm waiting for you, do what you do I can feel the rush all over me whenever I'm next to you  
I can feel it burnin' up inside of me and I don't know what to do  
So don't stop get it, get it  
'Cause you know I'm waiting for you, do what you do I can feel the rush all over me whenever I'm next to you  
I can feel it burnin' up inside of me and I don't know what to do  
So don't stop get it, get it  
'Cause you know I'm waiting for you, do what you do
