

Saturday

Simple Plan

[Simple Plan]

S-A-T-U-R-D-A-Y

S-A-T-U-R-D-A-Y Kicking like a time bomb

Waiting for the weekend

Saturday night, saturday night

People throw their hands off higher than the ceiling

Saturday night, saturday night

I can see the light up running round the whole club

Saturday night, saturday night

Coming through the window I can hear the bass drop

Saturday night, saturday night

We don't have to go, we can stay right here We can go get drunk

Staying up all night

Singing don't stop believing till the morning light

We can line up shots

Till it all goes bad

And we're passed out of puking in the taxi cab

And when you're lying get it burned outside

Nowhere else feels alright

I'll rather be alone with you on saturday night S-A-T-U-R-D-A-Y This is gonna be a night so hectic

Saturday night, saturday night

You and me baby nothing but netflix

Saturday night, saturday night

We don't have to go, we can stay right here We can go get drunk

Staying up all night

Singing don't stop believing till the morning light

We can line up shots

Till it all goes bad

And we're passed out of puking in the taxi cab

And when you're lying get it burned outside

Nowhere else feels alright

I'll probably be alone with you on saturday night If we ever get bored

If we get restless

Saturday night, saturday night

We can get dressed up

Let's get epic S-A-T-U-R-D-A-Y We can go get drunk

Staying up all night

Singing don't stop believing till the morning light

We can line up shots

Till it all goes bad
And we're passed out of puking in the taxi cab
We stop at every bar on the boulevard
Till we max out the limits on our credit cards
Cause when I got you here by my side
Every day feels right
As long as it's me and you on saturday nightS-A-T-U-R-D-A-Y
