

# Living Under June

Jann Arden

Living under June  
Living under her  
Living under June  
Living under her I've got a black and white television  
I've got an indigo gas oven  
I've got holes in my head  
Holes in my head I've got filthy rotten wall to wall  
I've got a couch made out of corduroy  
My cat's dyin', words flyin'  
Leakin' from the shower stall and that's not all Living under June  
Living under her  
Living under June  
Living under her I can't believe the things I hear  
Falling from the atmosphere  
Sexual atrocities are happening right over me  
And I can't sleep Living under June  
Living under her  
Living under June  
Living under her Living under June  
Living under her, her, her  
Living under June  
Living under her Living under June  
Living under her  
Living under June  
Living under her Living under June  
Living under her  
Living under June  
Living under her
