

Here We Go

Bowling for Soup

Here we go, here we go
Here we go, here we go
Everybody's gonna get down
Let's go Here we go, here we go
Here we go, here we go
Everybody's gonna get down
Let's go Back up man, you're out of control
You're stressed out at full throttle
Got so many problems, I don't need more
I'm with my friends, we just wanna roll Right on through to the other side
Right on through we will never hide
'Cause this is our town to ride
And our Chevy will glide Here we go, here we go
Here we go, here we go
Everybody's gonna get down
Let's go Here we go, here we go
Here we go, here we go
Everybody's gonna get down
Let's go This is our plan, understand
We're blastin' out music from a foreign land
Reggae and soul, punk, rock and roll
Boom box, radio So much music, we don't wanna drop
With all this music, we'll never stop
And non-stop night spots
Non-stop night spots, night spots non-stop Here we go, here we go
Here we go, here we go
Everybody's gonna get down
Let's go Here we go, here we go
Here we go, here we go
Everybody's gonna get down
Let's go Here we go, here we go
Here we go, here we go
Everybody's gonna get down
Let's go Here we go, here we go
Here we go, here we go
Everybody's gonna get down
Let's go I've been to Kingston, I've been to London
Osaka, New Orlean and back to Brooklyn
I've been to Nevada, been to Stockholm

Sacramento, Fresno, I've been to Oakland
It's not about flexin' or startin' a fight, no

It's not about who's wrong or right, yeah

It's all about hangin' with your friends tonight

At 7-11, every day and night
Here we go, here we go

Here we go, here we go

Everybody's gonna get down

Let's go
Here we go, here we go

Here we go, here we go

Everybody's gonna get down

Let's go
Here we go, here we go

Here we go, here we go

Everybody's gonna get down

Let's go
Here we go, here we go

Here we go, here we go

Everybody's gonna get down

Let's go!
