

# She Was the Best

## The Green

Chorus:

Oooohhh tell me I, now tell me baby!  
She was the best, cause she always came running  
Always came running to me!  
Thinking about her how she loved and was loved,  
Loved and was loved by me!  
She was the best, cause she always came running  
Always came running to me!  
Thinking about her how she loved and was loved,  
Loved and was loved by me!

Well, when she greet em with a smile,  
Oh yes she greet me with a kiss  
Never alone she leaves, yeah  
Just ask her wait a while until I come along  
Cause never alone she leaves, yeah  
No, she never leaves me alone  
No, she never leaves em alone!

Chorus:

She was the best, cause she always came running  
Always came running to me!  
Thinking about her how she loved and was loved,  
Loved and was loved by me!  
She was the best, cause she always came running  
Always came running to me!  
Thinking about her how she loved and was loved,  
Loved and was loved by me!

Oh, and she always come around  
Every time I'm feeling down  
Cause never alone she leaves me!  
And she always bring my style  
When my times are feeling odd  
Cause never alone she leaves me!  
She don't waste my time, no  
Yeah, when she comes around, oh, with joy  
Cause never alone she leaves em, baby, no, no

No, she never leaves em alone, uh, yeah, yeah!

Chorus:

She was the best, cause she always came running  
Always came running to me!  
Thinking about her how she loved and was loved,  
Loved and was loved by me!  
She was the best, cause she always came running  
Always came running to me!  
Thinking about her how she loved and was loved,  
Loved and was loved by me!

She was the best, she was the best, girl  
She was the best, she was the best, girl

She was the best, cause she always came running  
Always came running to me!  
Thinking about her how she loved and was loved,  
Loved and was loved by me!  
She was the best, cause she always came running  
Always came running to me!  
Thinking about her how she loved and was loved,  
Loved and was loved by me!
