It's Not Me

Supergrass

Over the heads, I find a place to crawl away
So many times, I hear the things we used to sayInto the night, the conversation fades away
Losing the drift of all the things I had to say,It's not me, no, no, not me
But I don't know what is
I try and find my piece of mind,,
But I know what I miss
Now it's gone, now it's gone
Now it's goneAs everyone listened, my head turned away
I know what I'm missing, there's nothing to say
