## Emmure

We are unstoppable  
We are unbreakableHow much more proof do you want?  
You can't fuck with us  
You can't fuck with usWe are unstoppableHow much more proof do you want?  
(Do you want?)  
How much more proof do you want?  
(Do you want?)How much more proof do you want?  
(Do you want?)  
How much more proof do you want?  
(Do you want?)We are unstoppable  
We are unbreakable
