

Shout to the Top!

The Style Council

I was half in mind I was half in need
And as the rain came down I dropped to my knees and I prayed
I said "oh Heavenly thing please cleanse my soul
I've seen all on offer and I'm not impressed at all" I was halfway home I was half insane
And every shop window I looked in just looked the same
I said send me a sign to save my life
'Cause at this moment in time there is nothing certain in these day's of mine We see, it's a frightening thing
when it dawns upon you
That I know as much as the day I was born
And though I wasn't asked (I might as well stay)
And promise myself each and every day that is That when you're knocked on your back an' your life's a flop
And when you're down on the bottom there's nothing else
But to shout to the top shout
Well, we're gonna shout to the top
We're gonna shout to the top
We're gonna shout to the top
Yeah, we're gonna shout to the top 'Cause it's a frightening thing when it dawns upon you
That I know as much as the day I was born
And though I wasn't asked (I might as well stay)
And I promise myself each and every day that We're gonna shout to the top (shout)
We're gonna shout to the top (shout)
We're gonna shout to the top (shout)
We're gonna shout to the top (shout)
We're gonna shout to the top (shout)

And when you're down on the bottom there's nothing else
But to shout to the top (shout)
Well, we're gonna shout to the top (shout)
We're gonna shout to the top (shout)
We're gonna shout to the top (shout) And you're knocked on your back an' your life's a flop
And when you're down on the bottom there's nothing else
But to shout to the top (shout)
We're gonna shout to the top (shout)
I'm gonna shout to the top (shout, shout)
We're gonna shout to the top (shout) Yeah, shout to the top (shout)
