

# Beauty Lies in the Eye

## Sonic Youth

There's something in the air there  
Makes you go insane  
Brings you back to me  
It's been so long All that I have to do  
Is live along  
It's coming, coming down  
Over me Do you want to see  
The explosions in my eye  
Do you want to see  
The reflection of how we used to be Beauty lies  
In the eyes of another's dreams  
Beauty lies  
Lost in another's dream It's coming, coming down over me  
Do you want to see  
The explosions in my eye  
Do you want to see  
The reflection of how it used to be Hey baby, hey sweetheart  
Hey fox, come here  
Hey beautiful  
Come here, sugar
