

Woman

Delta Goodrem

I worked late but you didn't wait up
My bones ache and I'm clearing the place up
Sometimes I don't even know why I care I sit down take off my make-up
I lay down but you don't wake up
Sometimes I wonder if you know I'm there I can't remember the last time you told me I'm beautiful
And I can't remember the last time that you said anything at all I'm a woman, a woman with a heart and I
deserve your all
I'm not some girl who don't know what she wants
I'm a woman and I need to be touched and I need to be loved
'Cause being just your woman is not enough, it's not enough Now I hope that you don't wake up
When it's too late to make up
You'll be the one that's alone and that's sad In time you'll find somebody
The truth is she'll never be me
That's when you're going to miss what we had When all I really needed to hear was you're beautiful
And I, all I really needed to hear was anything at all I'm a woman, a woman with a heart, oh and I deserve your
all
I'm not some girl who don't know what she wants
I'm a woman and I need to be touched, oh and I need to be loved
'Cause being just your woman is not enough I'm not your friend who only needs you sometimes
And if I'm your lady you've got to treat me like I'm a woman, a woman with a heart, oh and I deserve your all
I'm not some girl who don't know what she wants
I'm a woman and I need to be touched, oh and I need to be loved
'Cause being just your woman is not enough A woman needs your heart, a woman needs your all
A woman needs your everything
I'm a woman and I need to be touched and I need to be loved
And I deserve your everything
I'm a woman, I'm a woman, I'm a woman
