

I Need You (As the Deer)

Nicole C. Mullen

As the deer that paints
For the water brook,
So my heart does long for you
As the eagle files
For the open skies,
So my heart does soar for youChore
And I will praise your name for ever
I will proclaim that you are God
I will be stratified completely,
Cause I will worship you alone,
You alone, you aloneAs the desert sand
Longs for rain again
So my heart does long for you
As the darkest night
Yields to morning light,
So my heart does yield to you
Chore
And I will praise your name for ever
I will proclaim that you are God
I will be stratified completely,
Cause I will worship you alone,
You alone, you aloneCause I need you,
I need you more than air that I breath
I need you, I need you more than food
More than drink
I need you I need you more than flowers
Need rain
I need you I need you more than I can explain
I need you, I need you
I need you, I need you
As the deer that paints
For the water brook,
So my heart does long for you
As the eagle files
For the open skies,
So my heart does soar for youChore
And I will praise your name for ever
I will proclaim that you are God
I will be stratified completely,

Cause I will worship you alone,
You alone, you aloneCause I need you,
I need you more than air that I breath
I need you, I need you more than food
More than drink
I need you I need you more than flowers
Need rain
I need you I need you more than I can explain
Cause I need you,
I need you more than air that I breath
I need you; I need you more than food
More than drink
I need you I need you more than flowers
Need rain
I need you I need you more than I can explain
I need you, I need you
I need you, I need you (7*)As the deer that paints
For the water brook,
So my heart does long for you
