Sleeping Time

Die Happy

It's so quiet here - underneath
Where I'm living
It's so peaceful here
On the top of my feelingsI will care for you
And I'll try to make you happy
You're so beautiful when you sleep
Stay as you areStay as you are
As you feel
There is too much hate in this world
Stay as you are
You are real
Never be like them, 'cause they're coldIt is scaring me how they care for our planet
It is hurting me how they change
Growing out of sleeping timeBeautiful angel
That's all you need to knowIf a blossom like you will open up
They'll see that colors make them laugh a lot
They'll unfold
They will grow
What a world!
