

Bright Lights

30 Seconds to Mars

Ive been dreaming of things yet to come
Living, learning, watching, burning
Eyes on the sunIm leaving, gone yesterday
Brutal, laughing, fighting, fucking
The price I had to payBright lights, big city
She dreams of love
Brights lights, big city
He lives to runDemon, where did my angel go
Vacant, vapid, stupid, perfect
You are the one
A new day,a new age, a new face, a new lay,
A new love, a new drug, a new me, a new youBright lights, big city
She dreams of love
Brights lights, big city
He lives to runoh oohoh ooh woaa oh ooh oh ooh woaa
oh oohoh ooh woaa oh ooh oh ooh woaa woaaaa !
(to run.. to run... to run..)I forgive
Had enough
Time to live
Time to loveTime to live
Time to love
Time to live
Time to loveoh oohoh ooh woaa oh ooh oh ooh woaa
oh oohoh ooh woaa oh ooh oh ooh woaa woaaaa !
(to run.. to run... to run..)Time to live
Time to love
Time to live
Time to loveBright lights, big city
She dreams of love
Brights lights, big city
He lives to run
