Ay Caribe la tierra de mi gente hermosa
(Armada Latina)
Cielo y sol, me acompa±an donde quiera
(Mi fama in prada)
Hermanito la lucha recien empieza
(Hermano ponle gana)
Yo nac± con sangre taina, yo nac±-Came out the other man, southern land
Didn't have another hand
Never had another plan
I'm different to the mother landSome will get a summer tan
It's hotter than a summer jam
Live for today 'cause you'll
Never gettin' another chance

And pass me a cuba libreThat's what we want, don't front
I could see you but
You don't want to see the cohi upfront
How we blow it upWe came to blow it up
Hit the spot so we're done
Rappers in, blowin' up
That's how we show the loveThat's how we pass up all this shit
That we've overcome
It's like the soldier's run is done
When the war's won
Ay Caribe la tierra de mi gente hermosa
