

# Famous

## Play

You want to ride in a big Limousine  
I know you want to take a little bite of the fame machine  
You wanna be discovered and end up on the cover  
Of every star studded supermarket magazineIt's your moment, time to own it  
Like the American dreamYou wanna be famous  
You wanna be the one who's livin' the life  
You wanna be famous  
You wanna be the one who's takin' the dream rideYou want to cut to the front of the line  
I know you want to see your name in lights  
Just like the Hollywood sign  
I know what you're thinkin'  
Who you think you're kiddin'  
With that million dollar look and without a dimeYou can do it, stick right to it  
It's just a matter of timeYou wanna be famous  
You wanna be the one who's livin' the life  
You wanna be famous  
You wanna be the one who's takin' the dream rideAll day, all night  
The camera's on and it never lies  
You're under the spotlight  
24-7, better get it rightWhoa, you wanna be famous  
Whoa, you wanna be famousYou wanna be famous  
You wanna be the one who's livin' the life  
You wanna be famous  
You wanna be the one who's takin' the dream rideYou wanna be famous  
You wanna be the one who's livin' the life  
You wanna be famous  
You wanna be the one who's takin' the dream rideYou wanna be famous  
You wanna be famous
