

# Simbaleo (Danii Version)

## Mr. President

[Bridge]

Tell me who's in the kitchen? Who is scratching at my door?  
It's the cat in the kitchen, kittie, pretty on the floorHa, ha, ha, ha  
I was walking through the jungle in the summertime,  
I saw a baby lying having a good time  
Uh, he was alone, or was it a crime? Here it is, check my rime  
Ah, then I took him home, what could I do?  
He was all alone, wouldn't you to?  
So throw your hands in the air and start to party  
Here it is, Simbaleo[Bridge][Chorus]  
Simbaleo, kittie ya yo, Simba, kittie ya yo  
Simbaleo, kittie ya yo, Simba, kittie ya yoSimbaleo  
He was small but his voice was big  
And when he got his food, he would be like a pig  
I like to play and he likes to run, here it is, yo, have some fun  
Uh, he was the cat that had all of that  
He be sleeping on a day on the top of my map  
So throw your hands in the air and start to party  
Here it is, Simbaleo[Bridge][Chorus][Bridge][Chorus]
