Enemy

Stabilo

I'm not the enemy
Do you know
we're stuck in the middle
two ways to go
Words inside my head
but you don't wanna know
We've been hurt before
but why can't we let it go
You know I
I've been searching for this love all my life
I can't stand this pain
won't you please tell me why
you still hide away
you don't need to be afraid
I will be waiting here for you to realize
open your heart to me, you'll see it through
my eyes!
If you could read my mind
Nothing I need to say,
You'd never run away!
How can I make you start believing?
that I'm not the enemy!
If you could read my mind
all the things I feel inside
then you'd see
that I'm not the enemy
I'm not the enemy
Do you know
you're the air I breathe and I wanna show
what's inside my head
know that you're not alone

push your fears away
cause I am still holding on
I will be waiting here for you to realize
open your heart to me, you'll see it through
my eyes!
If you could read my mind
Nothing I need to say,

You'd never run away!
How can I make you start believing?
that I'm not the enemy!
If you could read my mind
all the things I feel inside
then you'd see
I'm not the enemy
Cause nothin' feels the same
everytime you say my name
and I need you to know
that we need to make a change
stop playin' these foolish games
I'm not the enemy
If you could read my mind
Nothing I need to say,
You'd never run away
How can I make you start believing?
I'm not the enemy!
If you could read my mind
all the things I feel inside
then you'd see
that I'm not the enemy
I'm not the enemy
