Jump Jump

Nightcore

I got a plan, a major scam
Ready and equipped with a mic in my right hand
I'll move you, groove you
Give you something to dance to, if you want to
Step outside, come along, let's ride
Don't listen to the talk, take a walk on the wild side
Thinkin', talkin', clockin'
Everybody's shockin' and rockin'
'Cause you know and I know
That we rule the dance floor
If the DJ's too slow, slow
I guess that it's a no, no, no, no
If I say
Jump, jump, you say how high
Jump, jump to the left to the right
Jump, jump and turn around
Jump, jump and touch the ground
Jump, jump, you say how high
Jump, jump to the left to the right
Jump, jump and turn around
Jump, jump and touch the ground
Ain't gonna mix with the latest craze
Everybody's thinkin' it's just a phase
But they don't about going out, showing out
And hanging out and don't know the rules about
'Cause you know and I know
That we rule the dance floor
If the DJ's too slow, slow
I guess that it's a no, no, no, no
If I say
Jump, jump, you say how high
Jump, jump to the left to the right
Jump, jump and turn around
Jump, jump and touch the ground
Jump, jump, you say how high
Jump, jump to the left to the right
Jump, jump and turn around
Jump, jump and touch the ground
Say boomity boom boom, boombastick, fun, fun, fun, funtastick

Swing the nation 'cause a sensation
A cool vibration, groove integragation
So thump, bump, jump, shake the room
Rip, skip, flip on the smooth tip
Somebody, anybody, everybody scream
(Yo, Aaron, where you at, man?)
Jump, jump, you say how high
Jump, jump to the left to the right
Jump, jump and turn around
Jump, jump and touch the ground
Jump, jump, you say how high
Jump, jump to the left to the right
Jump, jump and turn around
Jump, jump and touch the ground
Jump, jump, you say how high
Jump, jump to the left to the right
Jump, jump and turn around
Jump, jump and touch the ground
Jump, jump, you say how high
Jump, jump to the left to the right
Jump, jump and turn around
Jump, jump and touch the ground
