Crying

Ian Van Dahl

Lying in my bed but you are not here Trying to be strong, I can't stop my tears I keep crying for you I keep longing for you
Now that you've left me, all my hope is gone (There's) no turning back 'cause the damage is done I keep crying for you I keep longing for you
Crying for you that is all I can do 'Cause I'm still in love with you Crying for you, nothing else I can do 'Cause I want to be with you
Crying for you that is all I can do 'Cause I'm still in love with you Crying for you, nothing else I can do 'Cause I want to be with you

Voices in my head, they won't go away Hearing you say that you don't want to stay But I keep crying for you I keep longing for you
Now that you've left me all my hope is gone No turning back cause the damage is done I keep crying for you I keep longing for you
Crying for you that is all I can do 'Cause I'm still in love with you Crying for you, nothing else I can do 'Cause I want to be with you
Crying for you that is all I can do 'Cause I'm still in love with you Crying for you, nothing else I can do 'Cause I want to be with you
