Girl, only for you
You are the only for me, baby
Well, well, well, and everything that I do
Is for you and for me so heavenlyJust stay with me you are the only one for me, baby
And everything that I do and it's for you and me that is so heavenly
Just stay with me you are the only one for me, baby
And everything that I do and it's for you and me, babyYou are the only one for me, baby
