Peace

Bobby McFerrin

All we need in this world
Is to have a time if peace
A time of light and love
With all guidance from above
A time a man can understand
Being free
Oh in a time of peaceWe need peace for our children
So that they may live a better life
What joy divine
What a perfect state of mind
With their worries and cares
Left behindWe need peace for our children
So that they may live a better life
What joy divine
What a perfect state of mind
With their worries and cares
Left behind
Oh what a peaceful time
Oh what a peaceful time
Oh what a peaceful time
