

# Peace

## Bobby McFerrin

All we need in this world  
Is to have a time of peace  
A time of light and love  
With all guidance from above  
A time a man can understand  
Being free  
Oh in a time of peace We need peace for our children  
So that they may live a better life  
What joy divine  
What a perfect state of mind  
With their worries and cares  
Left behind We need peace for our children  
So that they may live a better life  
What joy divine  
What a perfect state of mind  
With their worries and cares  
Left behind  
Oh what a peaceful time  
Oh what a peaceful time  
Oh what a peaceful time
