# Jesus Is My Best Friend

## Silage

It's fun to turn the amp up to 11
And sing so loud you can't understand the words
And sometimes that's okay when they're not profound
But I need to sing this kind of song tonight
Chorus:
Because Jesus is my best friend
And when I don't do enough
It's still good enough
'Cause Jesus is my best friend
All right, all right, all right, all right
And right now is one of those times
Where I need to make the time
I need to make the effort
To sing a song, a song, a song for him
[Repeat Chorus]
All right, all right, all right, all right
All right, all right, all right, all right
[Repeat Chorus]
All right
