

Feel So Close (Audiobot Bootleg)

Calvin Harris

I feel so close to you right now, it's a force field.

I wear my heart upon my sleeve, like a big deal.

Your love pours down on me surround me like a waterfall.

And there's no stopping us right now, I feel so close to you right now. I feel so close to you right now, it's a force field.

I wear my heart upon my sleeve, like a big deal.

Your love pours down on me surround me like a waterfall.

And there's no stopping us right now, I feel so close to you right now. And there's no stopping us right now.

And there's no stopping us right now.

And there's no stopping us right now.

I feel so close to you right now.
